Mr. President, LB 1115. Senator Smith, I have Enrollment and
Review amendments. (AM7246, Legislative Journal page 1348.)

SENATOR CUDABACK: Senator Smith, for a motion.

SENATOR SMITH: Mr. President, I move the adoption of E & R
amendments to LB 1115.

SENATOR CUDABACK: There's a motion to adopt the E & R
amendments to LB 1115. All in favor say aye. Opposed nay.
They are adopted. Senator Jensen.

SENATOR JENSEN: (Microphone malfunction)...members of the body,
certainly if you've looked at your computer, you see that there
are 15 amendments on LB 1115 and I have had discussion with the
Senator from the 11th District, as well as considering this
whole situation, and I am asking that the individuals who have
filed amendments, that they would pull those amendments. This
is a Health Committee clean-up bill and the...there were four
amendments added on General File. It is not my intention that
we load this "tree" up so large that it falls over. Certainly
some of these issues were small, some corrective, some felt that
they needed to be done, but we're in the final days of the
session and I would encourage...I would plead that anyone who
has filed an amendment on this bill withdraw that amendment so
that we can advance LB 927 (sic--LB 1115). I'll make one
exceptions to that, and that is an amendment filed by Senator
Bromm with Senator Thompson's approval and also I think her
signature on that, which is a correction to amendment that was
adopted on General File. So, as you can see on your screen,
both the Chairman and the Vice Chairman have pulled their bills
from this...or pulled their amendments from LB 925, or excuse
me, from LB 1115 and I would certainly encourage those who do
have amendments on LB 1115 to do likewise. Thank you,
Mr. President.

SENATOR CUDABACK: Thank you, Senator Jensen.

CLERK: Mr. President, the first amendment I have, Senator
